

Footy at Melbourne Uni in 2012

The Melbourne University Football Club caters for all levels of skill and commitment from elite to semi-social. There are 9 teams to offer you a game each week in the prestigious Victorian Amateur Football Association as well as the chance to participate in the Australian University Games.

Melbourne University is the third oldest Australian Rules football club in Australia, being established in 1859, with only Melbourne and Geelong founded earlier. We played in the VFL between 1908 and 1915 and have been a powerhouse in Amateur football since 1921. The Club regularly plays finals footy.

University Blues fields 4 teams and **University Blacks** fields 5 teams in the VAFA – Seniors (**Premier** and **Premier B**), Reserves, Thirds, Club XVIII (Blacks Only) and Under 19's (Premier Division - you must be born on or after 1st July 1992).

For all the information you need, including pre season training times check our websites: www.uniblues.com and www.uniblacks.org.au It's easy to be involved, simply contact us and/or report to the Sports Pavilion on the north side of the University oval (Melway 2B D5) on Monday and Wednesday and you will be looked after - U19 players should arrive at 5pm and Senior players at 6pm.

What we offer is the envy of other sporting clubs. As well as the University Oval (one of the ten most beautiful cricket grounds in the world) and its legendary "pavvy", the club has access to the Beaurepaire gymnasium, swimming pool and athletics track. Outstanding coaching, top facilities, first class medical staff and a great social life are the hallmark of our footy club. Costs of participation are subsidised by MU Sport, so the cost to be part of us is simply great value.

Key contacts for Blacks and Blues are:

Blacks:

Justin Gray – Chairman 0417 158 235
jrgray@bigpond.com
